

Junior CAD Draftsperson – Hamilton, ON

Durisol Noise Barrier Systems is the market leader in the noise barrier and retaining wall industry. Our company designs and supply of materials for proprietary noise and retaining wall systems – including Durisol precast absorptive noise barrier panels, transparent noise barriers, fire-rated barriers, narrow footprint retaining walls and MSE retaining walls. We perform all duties associated with our jobs, including sales, engineering/design, manufacturing, and construction support.

We are currently looking for a Junior AutoCAD Draftsperson at our Hamilton, Ontario location.

Responsibilities:

- Develop and prepare engineering drawings from preliminary concepts, sketches, engineering calculations, specification sheets and other data.
- Develop and prepare design sketches.
- Develop and prepare production work orders with accompanying product drawings
- Producing detailed, final drawings and specifications to produce design specifications, including parts lists.
- Must be literate in drafting and design programs
- Developing and maintaining standardized title block sheets and presentation formats.

Qualifications:

- Diploma in Architecture or Civil Engineering Technology
- 3-5 years of AutoCAD experience
- 1-2 years of professional experience in a similar industry or in a co-op placement
- Ability to read and interpret drafting related site drawings
- Experience in standardized drafting practices is highly desirable
- Strong cross-functional collaboration skills and the proven ability to work effectively with numerous stakeholders and contributors, both internally and externally
- Passionate about achieving results and contributing significantly to organizational outcomes
- Proactive, detail-oriented self-starter with excellent organizational skills and willingness to take ownership and responsibility
- Ability to work and gain results in a team environment
- Excellent written and verbal communication skills
- Requires excellent time management skills to meet deadlines
- Must be a detailed oriented individual
- Have strong knowledge of computers and Microsoft Office and Excel spreadsheets
- Precast business or wall experience is an asset

If you are interested in this position, please submit your resume to Kim Greenland kgreenland@ekhois.com by no later than March 29, 2024.
